I am sorry to hear of your loss.

I am one of Jehovah's Witnesses and all of us have had to face the experience of losing a loved one in death.

This condolence is merely to express to you hope that is for your loved one who is asleep in death.

A Sure Hope for the Dead:

It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. That pain is not necessarily erased by being told that your loved one is up in heaven.

The Bible, however, holds out a much different hope.

(John 5:21, 28, 29) Yes, Jesus Christ promised that millions now dead will live again on this earth and have the prospect of remaining on it forever under peaceful, paradisaic conditions. (Luke 23:43; John 3:16; 17:3; compare Psalm 37:29 and Matthew 5:5.) Since Jesus made the promise, that he is willing to fulfill it.

If your heart similarly yearns to see a loved one again, Jehovah's Witnesses will gladly assist you to learn how you can make this sure hope your very own. Why not contact them at a Kingdom Hall near you?

I hope this information gives you some peace and hope, based on the Bible's promise of a resurrection, for all in God's memory, which will soon be a reality for all the earth.

“ It is the end of an era. Aunt Bertha was a beautiful lady, that was loved by many. I have very fond memories of my Aunt. She totally amazed us all at her 90th birthday party. She always had dignity and grace, and will be missed. She has two wonderful sons, DIL's, and many Grand children, and Great Grand children to carry on the Meyer name.

She lived and long and healthy life, with family that adored her.

My deepest sympathy to Terry and Bruce and the entire Meyer family.
