“ Dear Friends,  
Whenever I met Lil Kanter it brightened my day. Never without her memorable smile, I was ever surprised when she recognized me for I had surely changed more than she. I recognized her passion for music and I believe it was an ingredient in her resilient spirit. May her memory always be for a blessing.

“ Dear Karen,Roseanne,and Barbara,  
I loved your Mother!She made such an impression on me. And I know she loved me. We would laugh about everything.From the times I spent at your home as a little girl, to the trips to Florida and DC and then after Chip and I got married, she happen to move across the hall from us.WOW!Life had come full circle! I would spoil her with chocolate cake (which she couldn't resist)! Then when we were moving downtown,she asked me for my apartment and I was thrilled that she would be the one to enjoy it and I know it thrilled her! The last time I saw her at the HH,even though she couldn't speak,...it was a good day. I held her hand- told her how much I loved her and I know she understood and was comforted that I came to see her. She laughed when I would reminded her of stories of Dr K.. Even though I ,sort of, knew that day would be the last time I would see Aunt Lil, I left with a smile on my face and thought how fortunate I was to have had her in my life! She was truly a class act!!!##imported-begin##Barbara Jean (Grundstein) Schaefer##imported-end##

“ Dear Kanter family,

Although not knowing Ms. Kanter or your family personally, I want to extend my condolences for your loss. Based on the obituary, Ms. Kanter lived a long fulfilling life and was surrounded by a loving and supportive family. An encouragement to me, and I hope to you also, is God's promise that he will "swallow up death forever" (Isaiah 25:8). That means a resurrection for Ms. Kanter and all of our loved ones. I hope these few words provide comfort for you.##imported-begin##B.Williams##imported-end##

“ Your mother & ours were school friends in Akron. Our father was a friend of your father. Your parents introduced our parents to each other and the result was a fifty year marriage, 8 children and numerous grandchildren and great-grandchildren. Dad and Mom loved to tell the story of how your parents played matchmaker. Having lost Mom within the last year, we understand the great loss and offer her wonderful memories of your parents as a tribute to them, and our sincere condolences.##imported-begin##Carol Malowney Akers & Wilma Elinor Malowney##imported-end##
