“ I had the pleasure of helping to care for Manne for nearly 3 years. Manne became an incredible part of mine and my children's lives over the years. She was family and she made it known that we were her family as well. Manne taught me so much about her faith and traditions, she told me about her life during the war and truly showed me what it is to persevere. Manne was an incredible mentor to me and all who would cross her path. She convinced me to return to school to pursue my nursing degree and I received my acceptance letter to OSU the day before she passed! Manne was truly loved by myself and family!

“ I remember working with Manne when she was at the JTRC and I was working for Temple Beth Shalom. She was so kind, sweet, friendly and most of all HELPFUL,

Please accept my deepest sympathy on her passing.

“ Manne' was such a special person. She always had elucidating comments during the sisterhood short story group discussion. I'm so glad that she was able to join us, even for a little while, this past session. I will miss her insight and her beautiful, expressive voice which was so evident when she read aloud. I'm sorry for your loss.
