“ What a kind and gentle soul Marsha was! She seemed eternally pleasant and happy, the kind of person with whom you would always want to have a chat! Robyn and I remember her fondly from over the decades and from much more recent visits to Tifereth Israel.

May the soul of Marsha Emerman be bound up in the bonds of life eternal. The Lord is her portion, may she rest in peace. May the Almighty send solace and comfort to her family and friends. The world needs more Marsha Emermans--not fewer!

“ I'm so sorry to hear of Marsha's passing. She was such a dear lady and my friend. I was her hairdresser for many years. She stopped by before she moved to say goodbye and brought me her delicious toffee her granddaughter made every year. We shared tears and I told her I was happy for her to be near her family but she will certainly be missed. She was so proud of her family and shared pictures of her latest great grandchildren. Your family is in my thoughts and prayers

“ When Marsha moved to Cleveland, she told me how much she was going to miss you. She was also surprised that the hairdresser at the Meyers apartment was also named Cathy!

“ I met Marsha in the fall of 1978. She was the librarian for McGuffey Elementary and I was the librarian for a junior high in the same building. She and I were co workers and friends from then on. She was the Nicest person, always friendly and cordial. She was the calmest person--no matter what was happening, Marsha was calm. She was Smart and Clever. We worked side by side closing elementary school libraries (after their schools closed), and Marsha came up with the simplest ways of completing the most complex tasks. She never complained--she'd just shrug and move on. Finally, she was so PROUD of her children and grands. I'll miss her terribly.

“ My deepest condolences to Marsha's family!
For 31 years, I had the privilege of caring for her teeth;
We shared many stories including the Eastmoreland neighborhood where my wife's family (the Youngs lived many years ago)
Anyways, Marsha was a delightful lady and a joy to be around!
We will certainly miss her!
