“ To the Linsey family; I am deeply saddened by the passing of your wonderful father, Marty!

I knew him for 25 years and had the privilege of caring for he and mom's dental needs as well; When I first met him, I remember how excited I was to find out that he had worked in Dayton at Elder-Beerman's and knew my "Uncle Joe" who also worked there and your parents ties to the synagogue of my youth, Beth Abraham; I really thought that dad would have more time and that I might have a chance to visit with him this summer! Speaking for my staff, we'll certainly miss dear Marty and his pleasant ways when he would come to our office and brighten up our day!

I know that his memory will be a blessing for all who knew him;

You should know of no further sorrow

Sincerely, Jeff Tilson
