“ We are so sorry to hear of Miriam's passing - may she be welcomed into Olam Ha-ba with open arms. My girls always enjoyed partnering with Miriam at the CJDS Wexner Link Intergenerational Program, which they participated in over quite a few years. Miriam was a gem - a shining light, always calm, patient, and smiling. One time after a program with the residents and students (I think decorating the Sukkahs), Miriam invited my girls to her room to show them her amazing needlepoint creations and tell them about her life, her children, and her grandchildren. She was so proud of her family and all that they had accomplished.

We wish you comfort as you mourn her passing and we pray that you hold on to the precious memories of time spent together in good health.

All our love, Ken, Laura, Rose, and Sarah Clubok

“ Miriam was such a special woman. I always loved visiting with her, when I came from Hawaii to see my mom, Dotty Rosenfeld, at Heritage House. My mom and Miriam were tablemates in the dining room and good friends at Heritage House. She loved Miriam, as well. Miriam was warm, bright, loving, interesting and always had a lot to share. I was so happy that she and my mom were friends, and that because of their friendship, I was included in the circle. It won't be the same when I come for my visit, this September, not to see Miriam's shining face. Despite her challenges, she always had a smile on her face when I saw her. It was also a treat for me, last September, to meet some of Miriam's family at my Mom's 90th birthday. You all were so loving and supportive. May your memories give you comfort in the days ahead. I was just talking to my mom, several days ago and asking about Miriam, who had joined her for dinner. Although I was shocked at the sudden turn of events...from being able to join my mom for dinner, to passing away a couple of days later; I am at least glad that she did not have to suffer, for long, where she could not get out of bed. She lived as fully as she could until the end. I will very much miss seeing her when I come to Ohio and I know my mom will miss her special friend, as well. Love and condolences to the entire family, Karen Rosenfeld Russell, karen@healthylifeadvisors.org, 808/325-1500

P.S. I included a couple of photos from my last year's visit...happier times...
