“ Al and Rose were a fixture in the community. I don't think I've ever met more active people. Every day, several times a day they were somewhere doing something. It was customary to go to so many local event and sure enough there they'd be. Enjoying it and often leading the dancing or cheering. Many years ago I was leaving a concert at the Schott and jokingly said, "you know I didn't see al and rose tonight.' And in the next instant turned a corner and there they were. They were nice friends and good people.

“ Rose was a beautiful person whom I enjoyed having in my exercise classes for many years. She sang and danced her way through every class. I remember when her wonderful husband Allan also came to class and they both would get up and dance together and everyone applauded. We had great memories together and Rose was such a warm and wonderful person she will always be in our hearts and I am sure she is singing and dancing right now .....We will miss her love and friendship.. She spoke of her family with pride and love.... Gail Rosenblum
