“ Dear Larry and Jon,
We host learned of Sherry's passing. So glad we had a conversation with her a few months ago. Sherry has such a wonderful smile and a laugh that drew you in. She was one of the kindest warmest individuals we knew. We will reach out when you return to FL.
Fondly,
Phyllis & Ira

“ Dear Larry and Jonathan,

I am so sorry to learn that Sherry has died. Sherry and I worked together on some Temple Israel board-sponsored committees and I always appreciated working with her. We seemed to have complimentary work styles. In addition to her sincere and deep commitment to the work, I always trusted her integrity when we occasionally faced temple politics. She was willing to articulate her concerns in a way that maintained clarity about the issues without attacking personally those with whom she disagreed.

We also talked about our families. You may know that my son, Jesse, has suffered from serious mental illness since he was quite young. We would talk about our kids, the challenges we faced with the school systems and the mental health system. Sometimes we talked with each other as parents sharing similar challenges, sometimes we shared information about potential resources, and other times we talked about politics and bureaucracies.

We now live on South Merkle and walk by your old house often. I was recently reminded of one of our projects when I discovered two boxes in a larger box in our garage. Sherry and I both received the Leon J. Goodman Award from Brotherhood at a Shabbat service in May, 2004. For some reason Sherry could not attend services that night so I accepted the awards for both of us. In our garage I found both plaques still in their boxes and in plastic. If you would like Sherry's I will make sure you get it.

Again, I am so sorry for your loss. May Sherry's memory always be a blessing to you both.

“ Dear Larry and Jonathan -

Don and I are saddened to learn of your loss. Sherry was a kind, gentle and sensitive friend. Her dry laugh resounds in my memory. May the memories you created together and laughter you shared bring you comfort and solace at this difficult time and in the years ahead. May Sherry's memory be for a blessing.

“ Dear Larry, I was deeply saddened to read that Sherry has died. I will remember her as one of the most kind-hearted people I have ever known. Every year, her arrangements of flowers and the Confirmation Oneg in memory of Adam was a devotion of love and deep caring for others. Her arrangements were a reflection of her beauty, and we were the beneficiaries of her kind and loving generosity. I cannot be with you to say my own farewell, but will send my admiration and respect for you both through my prayers from Jerusalem. May you be comforted among the mourners of Zion and Jerusalem, and may you know no more sorrow. Rabbi Misha Zinkow
