“ So sorry for your loss. Was out of contact these past few years, but we always enjoyed our once a month ladies dinners. Please accept my condolences and the good memories we shared at Blendon Pond.

“ Vicki. Michael and Brad,

I knew Shirley when we were neighbors at Blendon Pond. The community did not seem the same after she moved. She was the light of the party, always witty and happy. I'll always remember that she LOVED the color of red! Peace be with her and your many memories be happy ones.

God be with each of you as you make the transition to life without her. She was loved.

My condolences,

“ Dear Michael, Vicki and Brad,

Your Mother and our Aunt lives as a loving memory for all who know her. In this way, she lives on.

The following was read at the stone setting of our beloved Cousin Jerry Kodish of Akron, Ohio. The gender has been changed. It is called "In Her Memory":

Don't think of her as gone away, her journey has just begun.
Life holds so many facets, this earth is only one.

Think of her as resting, from the illness and the tears, in a
place of warmth and comfort, where there are no days or years.

Think of how she must be wishing, that we could know today,
how nothing but our sadness can really pass away.

And think of her as living in the hearts of those she touched
For nothing loved is ever lost, and she was loved so much.

Our condolences and love,

Vicki and Steve Zwelling

“ Dear Mike, Vickie and Brad:

I was saddened to learn of your mother's passing earlier this week. There are so many great memories growing up across the street--from tennis to Shirely's great cars! Losing our parents is never easy--not matter at what point in life. But your mother live a full and vibrant life--something to be celebrated.

Please accept my sincere condolences on your loss.
